

Technical drawing of a mechanical assembly, showing a cross-section view. The drawing includes the following dimensions and callouts:

- Dimensions:**
 - Overall height: 1800
 - Height of the lower section: 524
 - Height of the middle section: 175
 - Height of the upper section: 72
 - Top diameter: $\phi 116$
 - Bottom diameter: $\phi 497$
- Callouts:**
 - 1: Points to the outer conical surface of the lower section.
 - 2: Points to the internal structure of the lower section.
 - 3: Points to the top flange of the upper section.
 - 4: Points to the central shaft of the middle section.
 - 5: Points to the lower part of the central shaft.
 - 6: Points to the upper part of the central shaft.
